

EDIBLE GARDENING WORKSHOP

The Riverina Highlands Landcare Network invites to you an afternoon workshop on backyard vegetable gardens.

This workshop is a great opportunity to inspire you to set up your own vegie garden or reinvigorate your existing garden.

Guest speakers are Tumut locals Ryan and Kevin Malone who are renowned for their productive vegie gardens.

The afternoon is also an opportunity to swap any excess seed and seedlings that you may have and to also discuss less common 'heirloom' vegetable varieties. Come and enjoy a wonderful afternoon discussing how to get the most out of your backyard vegie garden this summer.

Afternoon tea provided.

When: 2.30 to 4.00pm

Wednesday 28th October

Where: 170 Tumut Plains rd, Tumut
(look for field day signs)

RSVP: Cherie White, Riverina LLS ph 69411402

Cherie.white@lls.nsw.gov.au

Enjoy an inspirational afternoon discussing how to get the most out of your backyard vegie garden this summer.

**All interested persons
